

**EAST ORCHARD DENTISTRY
SCHOLARSHIP 2021**

Background: We're *sort of* new to town! At East Orchard Dentistry, (formerly **Glockner Family Dentistry**) we commit ourselves to providing dental care that you can count on. However, our goal is to go beyond just *fixing* smiles: this year, we want to give you a reason to. Starting January 1st, 2021, we are opening the East Orchard Dentistry Scholarship, an annual opportunity for young student-leaders in our **East Orchard Family** who choose to serve, to sacrifice, to give back to those in need.

Details:

- The scholarship is open to current high school seniors and currently enrolled college students who are furthering their education. Career aspirations *do not* need to be in the medical or dental field.
- **Applicants must be a patient of the practice (or Dr. Glockner's)** at the time of submission, having received an exam and cleaning in the calendar year 2020 or before the submission deadline in 2021.
- Applications will close April 30th, 2021 at 11:59 p.m.
- Two applicants will be chosen. Each winner will be awarded a \$500 scholarship.

Prompt: With this scholarship, East Orchard Dentistry is giving back to the next generation of leaders in Northern Kentucky. We are looking for high school seniors and currently enrolled college students who are leaders in their community. Leadership is more than just holding a position of power. A true leader is someone who serves, someone who sacrifices, someone who gives back to those in need. In 500-600 words, describe how you have given back to your community this year. How have you served those around you during these difficult times?

**Applicants should send answers, education plans, and current transcript to :
eastorcharddentistry@gmail.com.**
