

**EAST ORCHARD DENTISTRY
SCHOLARSHIP 2023**

Background: We're kicking off Year Three of East Orchard Dentistry with our annual scholarship. Over the past few years at the practice, we have experienced all kinds of small but powerful moments and interacted with incredible and impactful people. In this spirit, we want to hear your story!

Details:

- The scholarship is open to current high school seniors and currently enrolled college or trade school students. Career aspirations *do not* need to be in the medical or dental field.
- **Applicants *must* be a current patient of the practice** at the time of submission, having received an exam and cleaning in the calendar year 2022 or before the submission deadline in 2023.
- Applications will close April 30th, 2023 at 11:59 p.m.
- Two applicants will be chosen. Each winner will be awarded a \$500 scholarship.

Prompt: Hindsight is 20/20. There are many events, people, and choices that felt small, average, or meaningless in the moment, but entirely changed the course of my life. In 500-600 words, tell us about an event, person, or choice which had a profound impact on your life even if you did not realize it in the moment.

Applicants should send answers, education plans, and current transcript to :
